Lockdown fatigue

I'd like to send a bowl
Smoothly down the green.
I'd like to hit a tennis ball.
But the powers that be say that's not allowed,
Not till they've vaccinated all.

Week by week we walk and walk,
But day by day the less we do.
Lockdown fatigue is all the talk,
I'm feeling it, aren't you?

The hours grind slow
But the days go fast.
What we don't know
Is how long it will last.

But we're lucky, we know
When we look at the world,
And all the trouble they're in.
So we'll pack up our troubles,
-they're nothing compared-
And put them in the bin.

So get out the garden tools,
Gather all you need.
'Cos when we're back on the bowling green
There'll be no time to weed!

Thank you Lindsay for this wonder reflective poem:

Pennant Fees:

The pennant fees invoice will be sent out to playing members once there is clarity as to when the season can commence. The Green and Catering fees will be adjusted to reflect the number of games this season.

Are your details correct?

It is time to get the Club Handbook ready for printing. As part of the review process, we need to know if you have had a change of phone numbers or the wrong number has been printed in the handbook. Do you still have a home phone number? How do we contact you?

If there is a change in your contact details or the number in the current handbook is wrong, could you please send the right contact number to Attention David Beard: at info@mwbc.com.au

Wanting to play bowls of an evening?

Lots of fun and a way to get into bowls competition in a more relaxed manner.

Cost: \$2.00 per home games, \$8.00 per away games.

To join the Night Pennant team or for any enquiries please call:

Phil Rosengarten - 0402 821 951 or
Chris Cullinan - 0409 968 962.

Uniform Update:

Several members have asked if we would be ordering MWBC jackets to match our Pennant tops. We currently have no plans to do so, so if you want a new jacket, CoM recommends that you purchase a BV approved Royal Blue (Club colour) or White one from any Bowls Shop.

Of course, you can still wear your older design Club jackets.

If you are not an online shopper, remember you will be able to buy a new jacket when the shops reopen.

Pennant tops

We still have a number of polos available for purchase although not all sizes or sleeve length are available. A sheet will be in the Club house for anyone wanting to put their name down for a size which is not currently held as the minimum number for another order is 10 and we do not hold large quantities of stock.

The Club's new pennant tops will be available at the postponed opening breakfast event.

1. DEMONS 70

3. GEELONG 64

4. BRISBANE LIONS 60

Please forgive me non dees supporters for this one last indulgence - it has been 57 'bloody' years! JUST MAYBE THIS IS OUR YEAR!

ROUND 23 proved to be more straight forward with an average of 6 tips scored across our comp. (NOTE no point is awarded for the draw).

2 tippers John Jennings and Richard Sluggett tipped 8 winners. John's highest score nomination of 110 points was the closest to the highest score of 136 kicked by the Sydney Swans.

CONGRATULATIONS to John who wins the **Round 23 weekly prize of \$50.**

BIG KEV has proved to be an indomitable force and retains his position at the top of the tipping ladder.

Janet and Kaye have held their nerve in the last round to sit in equal 2nd position.

And **Richard Sluggett** has done a MAX GAWN timing his run to perfection and joined Janet and Kaye in equal 2nd position.
