Passing of Club Life Member:

The Club is saddened to hear of the recent passing of Club stalwart and Life Member, Joan Skinner. In recognition of the role the Club played in her life, the family organized a wake at the Club following the funeral. Thank you to all the club members who volunteered to help with her wake on Monday 14th August.

Social Deck update

The Club has appointed Fresh Built to construct the Social Deck. It is expected that construction will commence in mid-September 2023. Alternative access arrangements will be in place during the construction period.

We give a huge thanks to David Rae and the Social Deck working group for all their work in progressing this project to this milestone.

We are all looking forward to being able to sit on the new Social Deck when daylight savings starts.

Super Friday:

A big thanks to Phil, Chris and Bruce for arranging last week's Super Friday and thank you to all the hidden helpers who assisted.

As part of the evening the community choir sang with song sheets being handed out for all to be able to join in. The Community Choir practices at the Club on Wednesday nights between 5- 7pm and everyone is invited to come along participate.

Did you take some photos during the evening? If so send them to info@mwbc.com.au so we can add them to the next newsletter.

Clubhouse improvement update:

Some of you will have seen the new noticeboard and sponsor advertising rack in the entrance foyer which provides a functional and smart appearance to this area of our Clubhouse (picture below).

Many thanks to Graeme Robinson and Barry Jarrod in assembling the notice board which came with a few challenges!

The next steps in Clubhouse improvement for approval by the Committee of Management, will be to purchase partitions for the dining room to separate the dining room from the storage area for furniture, a new servery hatch for the kitchen and a smart TV for the members' lounge.
